Seagull (2010 Remastered Version)

Steeleye Span

KnightPenny is shining beneath a bright light
With another resting beside her
Maybe the light one will come back tonight
With the memories she carries inside her.Seagull, seagull, three three in a bed
Seagull, seagull, three three in a bed.Penny the hero, Penny the fool
The gold watch she gave me I'll treasure
They say that it's only a game after all
Apart from the pain it's a pleasure.
Seagull, seagull, three three in a bed
Seagull, seagull, three three in a bed.Penny is silent when fortunes are lost
She knows there is nothing worth saying
You're all alone when you're counting the cost
Is it more than a game you've been playing ?Seagull, seagull, three three in a bed
Seagull, seagull, three three in a bed.
Seagull, seagull, three three in a bed
Seagull, seagull, three three in a bed.Seagull, seagull, three three in a bed
Seagull, seagull, three three in a bed.
