

Naughty Naughty

Danger Danger

Let's get naughty
Let's get naughty naughty Come a little closer, baby, it's all right
Maybe we can start a little fire tonight
Pull the shades, lock the door
Don't waste my time, girl, you'd better be sure 'Cause I know what I want
And I know how to get it
So baby if you're ready to play Let's get naughty naughty
Down and dirty
Naughty naughty
Oh I like it that way That dress you're wearing makes you look so cute, naughty, naughty
But girl you'd look better in your birthday suit
Take my hand, feel my love
Tonight's the night we're gonna shake it up, shake it up 'Cause I know what you want
And you're gonna get it
So baby if you're ready to play Let's get naughty naughty
Down and dirty
Naughty naughty
Ooh I like it that way 'Cause you know what I want
And I'm gonna get it
Baby if your ready to play Step this way, naughty naughty
Why don't you slide on over here baby?
Yeah that's it
Don't worry I won't bite ya, not yet
Listen maybe we could uh
What kind of girl do you think I am? Let's get naughty naughty
Down and dirty
Naughty naughty
Oh I like it that way Let's get naughty naughty
Down and dirty
Naughty naughty
Oh I like it, I like it I like it that way
Hey, hey, hey
I like it that way
Hey, hey, hey
Naughty naughty
