

My Ass Is on Fire

Mr. Bungle

Impotence
Boomerang
I'll stab you
Clumps of hair
In the sink
Who's hiding
Things from me?
You knew all along, goddammit
But you wouldn't tell me
Well, look at you now
It's not funny, my ass is on fire Paraplegic, inhuman liar Carve a smile
On your face
Everything's great
Suffocate
It's beyond my control...I'm coming!
Boo Boring
Redundant...
