Heavy Weight

Wolfmother

I was standing on the edge of a mountain,
thinking about yesterday.
I recognized what you said
I thought I heard somebody say
This world you'll save.
I saw you flying, flying
So high in the sky
I need to, contemplate
Woahhh heavy weight (4x)I was standing on the edge of a mountain,
thinking about yesterday.
I recognized what you said
I thought I heard somebody say
This world you'll save.
I saw you flying, flying
So high in the sky
I need to, contemplate
Woahhh heavy weight (4x)
