

# Have Mercy (Remastered)

## Mighty Diamonds

Guide us Jah man, guide us Jah man, oh yeah  
Have mercy on a good man and help him we pray, Jah man  
Have mercy on a good girl and help her we pray, Jah man  
Man was made to suffer, yeah  
And women were made to feel the pain  
Stay by our side and guide us we pray, Jah man  
Give us all your blessing and help us we pray, Jah man  
Time is running out, but we need no one, not to cry nor  
shout  
Change them who's gone astray and show them the way, Jah man  
Make this an everlasting example we pray, Jah man, yeah  
Man was made to suffer, yeah, yeah  
And women was made to feel the pain  
Have mercy on a good man and help him we pray, Jah man  
Have mercy on a good girl and help her we pray, Jah man
