R.O.B.I.N.

Colette Carr

Did you ever have an imaginary friend, that you swear was real?
Well mine was real, I swear
And people think you're crazy,
Maybe you are crazy, maybe we're all crazy
In the end who cares?Reminiscent of being an imaginary niece
Did we ever exist
Are you still here with me
Even though people say he was crazy
Even though people say he was crazyReminiscent of being an imaginary niece
Did we ever exist
Are you still here with me
Even though people say he was crazy
Even though people say he was crazyImaginary, 'cause we have imagination
Pull up a chair, pull up a plate
And I will pretend like you're holding up a glass
Toast to the fact that we cant hold back (cheers, cheers)
Our minds are different, spiritually uplifted
Can't, Can't Can't, u see see
He's stuck in his world, tryna get like me
Who you looking at?
Oh, thats ROBIN
You can't see him, or hear him talking
Cotton in your ear, open up your mind
See we're taking you on a paper plan ride
Hold up, we're in a sandwich
Aliens invade and peeps cant handle it
But we got this, you and me
cCar, Robin, let the crazy free
They can't see you, but you're right in front of meReminiscent of being an imaginary niece
Did you ever exist
Are you still here with me
Even though people say he was crazy
Even though people say he was crazyReminiscent of being an imaginary niece
Did we ever exist
Are you still here with me
Even though people say he was crazy
Even though people say he was crazyThats ROBIN, thats ROBIN, that that that, thats ROBIN, thats ROBIN, that, that's my ROBINReminiscent of being an imaginary niece
Did we ever exist

Are you still here with meReminiscent of being an imaginary niece
Did we ever exist
Are you still here with me
Even though people say he was crazy
Even though people say he was crazyReminiscent of being an imaginary niece
Did we ever exist
Are you still here with me
Even though people say he was crazy
Even though people say he was crazy
