

Moon

Buchanan

From the moon I saw,
From the moon I saw,â€”From the moon I saw

With a bucket and a tonne of bricks,
No stones, no metal sticks,â€”From the moon I saw

Could we catch em if itâ€™s late at night?
Could we catch em if itâ€™s late at night?â€”Youâ€™re hiding, now youâ€™re out of sight

From the moon I saw,
From the moon I saw,â€”From the moon I sigh

Could we catch em if itâ€™s late at night?â€”Could we catch em if itâ€™s late at night?
Your bell is ringing, put it all aside

No more than a day old,â€”Yet he cries between a mile,â€”And I know that the truth is,
The truth is, the truth is,
Iâ€™m losing

With a click of a mouse he played god for a second,â€”Things will never be the same again

From the moon I saw,
From the moon I saw,
From the moon I saw
