Love Sneakin' Up On You

Bonnie Raitt

Rainy night, I'm all alone Sittin' here waitin' For your voice on the phone Fever turns to cold, cold sweat Thinkin' about the things we ain't done yetTell me now, I've got to know Do you feel the same Do you just light up at the mention of my name? Don't worry baby, it ain't nothin' new That's just love sneakin' up on you If your whole world's shakin' and you feel like I do That's just love sneakin' up on youNowhere on earth for your heart to hide Once love comes sneakin' up on your blind side And you might as well try to stop the rain Or stand in the tracks of a runaway train You just can't fight it when a thing's meant to be So come on let's finish what you started with meDon't worry baby, it ain't nothin' new That's just love sneakin' up on you If your whole world's shakin' and you feel like I do That's just love sneakin' up on you
