

# May You Never

Willie Salomon

May you never lay your head down  
Without a hand to hold  
May you never make your bed out in the cold  
You're just like a great and strong brother of mine  
And you know that I love you true  
You never talk dirty behind my back  
And I know that there's those that do  
Please won't you, please won't you bear it in mind?  
Love is a lesson to learn in our time  
Please won't you, please won't you bear it in mind for me?  
May you never lay your head down  
Without a hand to hold  
May you never make your bed out in the cold  
Oh, you're just like a good and close sister to me  
And you know that I love you true  
You hold no blade to stab me in my back  
And I know that there's those that do  
Please won't you, please won't you bear it in mind?  
Love is a lesson to learn in our time  
Please won't you, please won't you bear it in mind for me?  
May you never lay your head down  
Without a hand to hold  
May you never make your bed out in the cold  
Well, you're just like a great and strong brother of mine  
And you know that I love you like I should  
You never talk about me behind my back  
And I know that there's times you could  
Oh, please won't you, please, please bear it in mind?  
Life is a lesson to learn in our time  
Won't you, please won't you bear it in mind for me?  
May you never lose your temper  
If you get hit in the bar room fight  
May you never lose your woman overnight  
May you never lay your head down  
Without a hand to hold  
May you never make your bed out in the cold  
Oh, please won't you, please, please won't you bear it in mind?  
Life is a lesson to learn in our time

Won't you, please won't you bear it in mind for me?  
Yeah, please won't you, please won't you bear it in mind for me?  
Please, please, please won't you  
Please, won't you bear it in mind for me?
