

Brown Eyes

The Partridge Family

Brown eyes, you're beautiful and you're all mine

I want you like you want me - all the time
Don't say that you don't want me, don't make me run away
'Cause I need that something you bring me every day
Brown eyes, you're beautiful and this song's for you

I wrote this song that I'm singing just for you
If words could paint a picture, there'd be no words to say
And I'd be the greatest painter in this whole world today
And I know what I feel and I know that it's real
and I feel it every day
And I'm not gonna lay no story on you, girl

if my story wasn't true

'Cause you must know by now, I wrote this song for you
Brown eyes, you're beautiful and you're all mine
I know you want me like I want you - all the time
And if you're not sure I love you, there's somethin' on your
mind

listen to the song I'm singin, I'll sing it one more time
Brown eyes, you're beautiful and you're mine

Brown eyes, I love you all the time

Brown eyes, you're beautiful and you're mine
