

Rock Freak

Luscious Jackson

It's just a rainy day
Ain't got no games to play
So come on over baby
We'll bug out anyway We'll watch the rain come down
And listen to the sound
We're goin' 'round and 'round
Just buggin' out Forget the things I'm told
Don't care if I get old
When the world gets too cold
Just buggin' out It's just a rainy day
Ain't got no games to play
So come on over baby
We'll bug out anyway We'll watch the rain come down
And listen to the sound
We're goin' 'round and 'round
Just buggin' out Uno, dos, tres, cuatro
