My Mistake

MÃ¥ns ZelmerlÃ¶w

I think it's time for us to talk
Before you leave, before you walk
Because in bed at night you toss and you turn
When all that agony burns

Every move I made was just for me
Every song I sang was hollow
That was my mistake
I was a fool
Leaving our love behind
What we had I'll never find
I know I have made your heart break
And I realize that's my mistake

I can't believe we've come to this
We hardly touch, we hardly kiss
Don't run away cause I can ease your despair
You know I'll always be there

Every move I made was just for me
Every song I sang was hollow
That was my mistake
I was a fool
Leaving our love behind
What we had I'll never find
I know I have made your heart break
And I realize that's my mistake

I never really listened
I didn't, I know that I didn't, no
I never tried to understand
I promise I'll change
From now on I'll try
I'll try

Cause every move I made was just for me
Every song I sang was hollow
That was my mistake
I was a fool
Leaving our love behind

What we had I'll never find
I know I have made your heart break
And I realize that's my mistake
Mistake

Leaving our love behind
What we had I'll never find
I know I have made your heart break
And I realize that's my mistake
