

Better Off Alone

MariÃ© Digby

I was naive not to let you go when the time was right
I was a fool living in a dream that I thought could last
 But I know that you will try to prove me wrong
 But it's what I've got to do

[Chorus]

I think you're mistaken, I'm sorry to say
I'm really just a loser who's getting in your way
 I think you've forgotten, all of your plans
 See you never meant to be here
 And I think you should know
 You're better off alone

It's clear to me that everything has changed
Cause nothing that we do feels the same any more
 And I'll admit, I'll take the blame
 Maybe we just moved too fast
And how could expect something like this to last
And I know that you will try and prove me wrong
 But it's what I gotta do

[Chorus]

You and I, we were standing watching us fall apart
 So let me go and move along

[Chorus]

Alone alone alone alone
Alone alone alone alone
Alone alone alone alone
 Oh, you're better off alone

I think you're mistaken, I'm sorry to say
I'm really just a loser, you're better off alone
 You're better off alone
