

Return To Sender

[Elvis Presley](#)

Return to sender, return to senderI gave a letter to the postman, he put it his sack

Bright in early next morning, he brought my letter backShe wrote upon it

Return to sender, address unknown

No such number, no such zoneWe had a quarrel, a lover's spat

I write I'm sorry but my letter keeps coming backSo then I dropped it in the mailbox and sent it special D

Bright in early next morning it came right back to meShe wrote upon it

Return to sender, address unknown

No such person, no such soThis time I'm gonna take it myself and put it right in her hand

And if it comes back the very next day then I'll understandThe writing on it

Return to sender, address unknown

No such number, no such zoneReturn to sender, return to sender

Return to sender, return to sender
