Rainy Days

Algebra The Band

(Chorus)
I overcame rainy days in my life,
didn?t need you girl anyway,ill be fine,
just as long the sun keep shining my way,
ima be alright, ima be okay
Verse 1
You tell me you love me and you can?t get enough
But then you call me and you tell me that were breaking up
Look what you do to me
Seems like you?re out to ruin me
And every time you lie, you make a fool of me
Change your ways girl, you?ll probably lose me
It?s not a game girl, cause you'll be losing
A good thing and you don?t have to explain
But you have to take responsibility for the pain, you gave me
I thought you?ll always be my lady
You told me to hold on, and like a fool I keep on waiting
It?s alright though, I'll find someone new
And if that?s the way you want it, then the choice is on you
But just remember that I didn?t need you around
I kept you cause I love you not for you to put me down, I bet you see now
How a man can grow strong and if loving you was wrong
Then I got to move on.
(Chorus)
I overcame rainy days in my life,
didn?t need you girl anyway,ill be fine,
just as long the sun keep shining my way,
ima be alright, ima be okay
Verse 2
I guess it wasn?t really meant to be
But I?m glad it happened now cause it would happen eventually
It?s sad to see it didn?t end how I wanted
It?s sad to see I wasn?t the one you wanted
I guess I got to start over and try
Start with someone new, like a girl that won?t lie and break my heart like you did
It?s a shame, nobody ever made me feel the way that you did

I?m caught up in the middle of a feeling that I dont want to get rid off
But you take yourself away from me

And I can?t understand cause you?re still unhappy
Even though I tried my best to make you happy
You say I don?t deserve you, you don?t deserve me
You?re the type of girl that would do something just to hurt me
And yeah I guess it?s true I don?t know much about you
But I do know one thing that I?ll do better without you
(Chorus)
I overcame rainy days in my life,
didn?t need you girl anyway,ill be fine,
just as long the sun keep shining my way,
ima be alright, ima be okay
Verse 3
You see I learned my lesson and the outcome was true
Even though you love someone, doesn?t mean they love you
So before you give yourself to someone else
Make sure they love you and nobody else
And this I tell you so you don?t get hurt
A lot of men do know what a women is worth
He would give up all his covers and sleep out in the rain
He would help her through her problems and take away your pain
I know
Cause that?s the type of man I am,
I?m the type of man that would take a lady by your hand
And show her, that I wanna get to know her
Tell her that she?s beautiful and that I wanna hold her
Eventually, it all be that way and I?ll walk up to her and ask her her name
My name is Cuete
It?s nice to meet you
I was wondering if one day I could kick it with you
(Chorus)
I overcame rainy days in my life,
didn?t need you girl anyway,ill be fine,
just as long the sun keep shining my way,
ima be alright, ima be okay
