

# If You Only Knew

[Blubell](#)

If you knew the way you looked  
That walk might when the earth stood still  
I mean my point of view  
Your eyes were just another color blue  
If you only knew  
how deep the sea I dove into  
If you only knew  
How it feels way deep in the blues  
And now that I'm safe and sound  
I recognize one to blame, all the same  
Now that I'm back on the ground  
I have decided I'm done with the blues  
If you only knew  
How deep I dove, how strong I grew  
If you only knew  
How it feels way deep in the blues
