

Love is Reason

[a-ha](#)

My breath was coming fast
And as I make a start
You turn to go
Oh, ohI'll do what you want me to
I'll cry at the thought of the loss of a heartLove is reason
Love is reason
Love is reason
Love is reason enoughMy morals are changing fast
I told you it wouldn't last
You turn and go
Oh, ohI'll be what you want me to be
I'd die at the thought of the loss of your heartLove is reason
Love is reason
Love is reason
Love is reason enoughOh, love is reason enoughI'll cry at the thought of the loss of a heartLove is reason
Love is reason
Love is reason
Love, love is reason enoughLove is reason
Love is reason enough
Love is reason
Love is reason enough
