

Don't bite the hand that feeds you

Bondi Cigars

Don't bite the hand that feeds you
When the rains came you were outside - in your party dress
Well I wanted you to come inside - but baby you couldn't stand the mess
You get so cool cool cool - when the
weather is hot

I get so cold cold cold - when you tie me in a knot

Don't bite the hand that feeds ya

Don't bite the hand that feeds ya

Don't dress the wound that he-e-eals

Don't bite the hand that feeds ya
Well it's happened before and I tell ya - It'll happen again
When the man want the women and the women always want the men
CHORUS
Oh you'd better hold back the
pressure

you been puttin' on me

Well I got my eyes but that don't mean -

don't mean I see - ah yeh
SOLOVERSE 2 again
CHORUS (the band sings lines below, lead vox lines below)

Don't bite the hand that feeds ya

Don't bite the hand that feeds ya

Don't bite the hand that feeds ya

Don't bite the hand that feeds ya

Don't bite the hand that feeds ya - Don't bite the hand that feeds ya
Don't bite the hand that feeds ya - Don't dress the wound that he-e-eals ya
Don't bite the hand that feeds ya - Don't bite the hand that feeds ya
Don't bite the hand that feeds ya - Don't dress the wound that he-e-eals ya
