

Light Blue Collar (Throwing Myself Album Version)

Luti-Kriss

A thousand men
Might fall down at my right
A thousand more at my left I won't be touched
Your will, it will be done
I won't be touched, I won't be touched
Read them their eyes, read them their eyes Read them their eyes, read them their eyes
Read them their eyes, read them their eyes
Read them their eyes, read them their eyes
Their eyes Read them their rights
Read them their rights A thousand men
Might fall down at my right and left
I won't be touched, read them their eyes
Read them their eyes Read them their rights, their rights
Their rights, their rights, their rights
Their rights Read them their rights
Read them their rights
Read them their rights
Read them their rights
Read them their rights Read them their rights, their rights
Their rights, their rights
Their rights, their rights
