

# The Story Of A Starry Night

[Hal McIntyre](#)

This is the story of a starry night,  
The faded glory of a new delight  
One breathless meeting,  
Two lips repeating  
Three precious words that were sweet but fleeting...When stars are bright my heart keeps wondering why  
Our first "goodnight" became our last goodbye  
I pray that someday  
Love will in some way  
Bring back the story of a starry night...
