

Jello

100 Monkeys

You look so good
You look like jello
Oh me and you could get down
If it were yellowYellow jello
Me and you
We would make quite a pair
People would stare
And they'd dare to ask
'What's up with that?'I said 'Jello'Let's get some yellow jello 'n mellow
We could beat that fellow
JelloYou and me
We, we'd be so slippery
If we were covered in jello
Yellow jelloYou and me
We look like quite a scene
When we walked about on the street
Covered in jello
Yellow jelloWe could be red fellows
Covered in yellow jello
Just you and me
We wouldn't mellow
Watch the television
Yes officer some kind of show
Any kind of show you knowThat makes us jello
That makes us yellow
Mellow some jelloYou like jello pudding pops?
Well, I do tooThat's pretty sweet
