I Hope

LoCash Cowboys

I hope life goes how you want it,
And you find roads if it don't.
And you won't pass up a second chance
No matter how bad your heart's broken.
I hope you always stand up
For all that you believe,
'Cause that's what makes you who you are
In this world and not who they want you to be.And I hope you know,
I'm thinkin' of you,
Wherever you are,
Whatever you do.So go and chase all your dreams, all you want, everything, you believe in I hope
You'll find the one that you need that you can't live without, you, love and I hope
You reach for the sky, try your wings if you like, fly high and I hope
Like every time I've ever had to let you go, I hope.You'll find your way around,
When you run into walls.
And if you need someone to talk to,
I hope you know that I'll be waiting when you call.
And every day is one day closer
To all your dreams come true.
And those lucky breaks
See your smiling face and follow you.And I hope you know,
I'm thinkin' of you,
Wherever you are,
Whatever you do.So go and chase all your dreams, all you want, everything, you believe in I hope
You'll find the one that you need that you can't live without, you, love and I hope
You reach for the sky, try your wings if you like, fly high and I hope
Like every time I've ever had to let you go.Like I always have,
Like I always will.
All I want for you,
Is the best.Go and chase all your dreams, all you want, everything, you believe.
Find the one that you need that you can't live without, you, love.
Reach for the sky, fly high and I hope.
Like every time I've ever had to let you go.So go and chase all your dreams, all you want, everything, you believe in I hope.
You'll find the one that you need that you can't live without, you, love and I hope
You reach for the sky, try your wings if you like, fly high and I hope
Like every time I've ever had to let you go, woah, I hope, I hope, I hope.
