Speak of the Devil

Randy Rogers Band

Advisory - the following lyrics contain explicit language:

God I hate this little town
It's like you fall in love and you can't get out
'Cause when I think I've set you down
Somebody opens up their mouthSpeak of the devil here I go again
Right back there and what could of been
Say your name like your just some friend
Asking if I've heard from you
And I just smile as I'm fallin' apart
Got a real good memory and a hair trigger heart
One little spark and I'm goin' through hell again
Speak of the devil
Speak of the devilI know you didn't mean to hurt me like this
Didn't mean you'd kill me with a goodbye kiss
It's like they didn't even play this song on the radio, can't believe it just came on
I was trying to catch up with a few old friends, and there it isSpeak of the devil here I go again
Right back there and what could of been
Say your name like your just some friend
Asking if I've heard from you
And I just smile as I'm fallin' apart
Got a real good memory and a hair trigger heart
One little spark and I'm goin' through hell again
Speak of the devil
Speak of the devilI came in here to drink
Drown you out, watch you sink
To do anything but think
Speak of the devil
Speak of the devil
Speak of the devil
Speak of the devil here I go again
Here I go again
