Carried Away

Sonicflood

You are the open door to freedom
You are the only hope I have
The reason in my reason
The only thing that lastsHow could I begin to settle
When all within me longs
To step into the shelter
Of Your everlasting armsI wanna get carried away
I wanna get tossed by Your waves
I don't care where or how deep
I'm gonna jump in with both feetI wanna get carried away
I wanna get lost in Your ways
I wanna be held by Your truth
I wanna behold all of YouI'm gonna be all Yours today
I wanna get carried awayYou are the wisdom of the ages
You are the one who stays the same
The power in the wind
The scent left by the rainHow could I begin to make it
If all I had was me
Just take me as I am Lord
And sweep me out to seaI wanna get carried away
I wanna get tossed by Your waves
I don't care where or how deep
I'm gonna jump in with both feetI wanna get carried away
I wanna get lost in Your ways
I wanna be held by Your truth
I wanna behold all of YouI'm gonna be all Yours today
I wanna get carried awayAnd some say You're far away
But I know You're here with me
I could go anywhere
And still You'd be there with me
I know You're here with meI wanna get carried away
I wanna get lost in Your ways
I wanna be held by Your truth
I wanna behold all of You
I'm gonna get carried awayI'm carried, I'm carried away
I'm carried, I'm carried away
I'm carried away, I'm carried away
I'm carried away
