

# Love's Funny That Way

Tina Arena

There's no king when love's is the thing  
Plays the same rules  
In a heartbeat a wise man can be a fool  
There's no guarantee  
That love will be a stranger or a friend  
Rather sense it or our heartaches will never end  
Through the darkest hours  
When all is said and done  
It has the power  
You go from lonely to the lucky one  
Cause love's funny that way (clap clap)  
Now matter who you are (clap clap)  
Well it can shake your faith (clap clap)  
Or it can break your heart (clap clap)  
Once in while  
The mountains and moon  
We all are wonderful those days  
Cause you live, you laugh, you see  
Love's funny that way  
Not long ago I got to know  
The lonely side  
Just me and my pain and nowhere to hide

Well it amazes me  
Oh how my world turned around  
And if it's meant to be  
That's all it matters to me anyhow  
Cause love's funny that way  
Now matter who you are  
Oh it can shake your faith  
Or it can break your heart  
Once in while  
The mountains and moon  
We all are wonderful those days  
Cause you live, you laugh, you see  
Love's funny that way  
Love's funny that way  
So when you don't understand  
Should just leave it in love's hands

Just live, laugh, see  
Love's funny that way  
Love's funny that way  
Love's funny that way  
Love's funny that way
