(You Want To) Make a Memory

Jacinta

Hello again, it's you and me
Kinda always like it used to be
Sippin' wine, killin' time
Tryin' to solve life's mysteriesHow's your life? It's been a while
God it's good to see you smile
I see you reachin' for your keys
Lookin' for a reason not to leaveIf you don't know if you should stay
If you don't say what's on your mind
Baby just breathe
There's nowhere else tonight we should beYou wanna make a memory?I dug up this old photograph
Look at all that hair we had
It's bittersweet to hear you laugh
Your phone is ringin' I don't wanna askIf you go now, I'll understand
If you stay, hey, I got a planYou wanna make a memory?
You wanna steal a piece of time?
You can sing the melody to me
And I could write a couple lines
You wanna make a memory?If you don't know if you should stay
And you don't say what's on your mind
Baby just breathe
There's nowhere else tonight we should be
We should beYou wanna make a memory?
You wanna steal a piece of time?
You can sing the melody to me
And I can write a couple linesYou wanna make a memory?
You wanna make a memory?
