

# Opportunity to Cry

[Willie Nelson](#)

Just watch the sunrise on the other side of town  
Once more I've waited and once more you've let me down  
This would be a perfect time for me to die  
I'd like to take this opportunity to cry You gave your word now I return it to you  
With this suggestion as to what you can do  
Just exchange the words I love you for goodbye  
While I take this opportunity to cry I'd like to see you but I'm afraid that I don't know wrong from right  
And if I saw you would I kiss you or wanna kill you out of sight  
It's been a long night so I think I'll go home and feed my nightmares They've been waiting all night long  
They'll be the last ones to tell me goodbye  
And they'll give me many opportunities to cry  
They'll give me many opportunities to cry
