

Cyber-Christ

Crimson Glory

I have the power to bend time and space
I stare into you but you don't see my face
Sacrifice the father
Scold the one who sins
Paralyze the daughter
And steal the seed within...He who gives life everlasting
He keeps your soul in his hands
Cyber-Christ - Pray for me
Cyber-Christ - Die for me
Cyber-Christ - On your knees
Cyber-Christ - Bleed for me
I am the savior, I'm the one you fear
My resurrection...The end of time is near
Sacrifice the father
Scold the one who sins
Paralyze the daughter
And steal the seed within
He who gives life everlasting
He keeps your soul in his hands
He who gives life everlasting
He keeps your soul in his hands
Cyber-Christ - Pray for me
Cyber-Christ - Die for me
Cyber-Christ - On your knees
Cyber-Christ - Bleed for me
He who gives life everlasting
He keeps your soul in his hands
He who gives life everlasting
He keeps your soul in his hands
Cyber-Christ - Pray for me
Cyber-Christ - Die for me
Cyber-Christ - On your knees
Cyber-Christ - Bleed for me
Cyber-Christ - Pray for me
Cyber-Christ - Die for me
Cyber-Christ - On your knees
Cyber-Christ - Bleed for me
