Do You Know Where You're Coming From?

Jamiroquai

Oh, do you know
Where you're comin' from?
Nothing is as clear
Imagine in your mind, oasis
Far a wide beyond our livin'
Sure enough I'm tired out tryin'
Hang on when this world is spinnin'
I was left out there was no light
There was no sound here in the dark
Fishin' around for meaning
But, I had to ask someone I knew
Not so far away from where I was
She said
?Hey, do you know where you're comin' from?
Do you know now where you're goin' to??
She said, ?Hey, have you been
Somewhere you've never ever been before??
I said, ?Well nothin' is as clear??
Nothin' is as clear without
Holdin' hand to gently guide you
Once that disappeared
But it's so close now that I'm here beside you
I was left down there was no light
There was no sound here in the dark
Fishin' around for meaning
I had to ask someone I knew
Not so far away from where I was
She said

?Hey, do you know where you're comin' from?
Hey, do you know now where you're goin' to??
She said "Hey, have you been
Somewhere you've never been before?
Now nothin' is as clear?
Oh, do you know, now where you're goin' to?
She said, "Hey, do you know now where you're comin' from?"
Hey, have you been somewhere you've never ever been before?
Nothin' is as clear!?
I was left down

I was left down
I was left down
Imagine in your mind, oasis
Far a wide beyond our livin'
Sure enough I'm tired out tryin' to
Hang on when this world is spinnin'
I was left out there was no light
There was no sound here in the dark
Fishin' around for meaning
But, I had to ask someone I knew
Not so far away from where I was
She said
?Oh, do you know where you're comin' from?
Hey, do you know where you're goin' to?
Hey, have you been somewhere you've never been before?
Oh, now nothin' can ever be as clear?
