

# Soldier's Joy

## Adrienne Young & Little Sadie

Soldier's Joy  
I am my mama's darlin' boy  
I am my mama's darlin' boy  
I am my mama's darlin' boy  
Play a little tune called soldier's joy  
15 cents for morphine  
& 25 cents for the beer  
It's 15 cents for the morphine  
Gonna take me away from here  
I love somebody, yes I do  
I love somebody, yes I do  
I love somebody, yes I do  
I love somebody and it might be you  
I'm a gonna get a drink don't you wanna go  
I'm a gonna get a drink don't you wanna go  
I'm a gonna get a drink don't you wanna go  
Go down that georgie road
