

The Last Balloon

[XTC](#)

The last balloon is leaving
The last balloon from fear
The last balloon is leaving
Form that line right hereClimb aboard, climb aboard, you menfolk
You wont need any bombs or knives
Climb aboard, climb aboard, you menfolk
Leave all that to your former livesDrop it allThe last balloon is leaving
The last balloon of all
The last balloon is leaving
Undress, discard, let fallClimb aboard, climb aboard, you women
You wont need any gems or furs
Climb aboard, climb aboard, you women
Leave all that to the bad old yearsDrop it allThe last balloon is leaving
The last balloon, theyll fly
The last balloon is leaving
And we wont qualifyClimb aboard, climb aboard, you children
Move aloft while youre fleet and fast
Climb aboard, climb aboard, you children
Were weighed down by our evil pastDrop us all, you should drop us all
Drop us all and free your hand
Drop us all, you should drop us all
Drop us all like so much sand
