

# 24

## James S. Levine

Been given 24 hours to tie up loose ends to make amends  
His eyes said it all, I started to fall  
And the silence deafened head spinning round, no time to sit down  
Just wanted to run and run and run  
Be careful, they say don't wish life away, now I've one day  
And I can't believe, how I've been wasting my time  
In 24 hours, they'll be laying flowers on my life  
It's over tonight, I'm not messing, no, I need your blessing  
And your promise to live free, please do it for me  
Is there a heaven, a hell and will I come back who can tell  
Now I can see what matters to me  
It's as clear as crystal, the places I've been, the people I've seen  
Plans that I made start to fade  
The sun's setting gold, thought I would grow old, it wasn't to be  
And I can't believe, how I've been wasting my time  
In 18 hours, they'll be laying flowers on my life  
  
It's over tonight, I'm not messing, no, I need your blessing  
And your promise to live free, please do it for me  
In 13 hours, they'll be laying flowers on my life  
It's over tonight, I'm not messing, no, I need your blessing  
And your promise to live free, please do it for me  
I'm not alone, I sense it, I sense it  
All that I said, I meant it, I meant it  
And I can't believe, how much I've wasted my time  
In just 8 hours, they'll be laying flowers on my life  
It's over tonight, I'm not messing, no, I need your blessing  
And your promise to live free, please do it for me  
In just 1 hour, they'll be laying flowers on my life  
It's over tonight, I'm not messing, no, I need your blessing  
And your promise to live free, please do it for me
