Loud

[R5](#)

(C'mon get loud)
Looking for the one tonight
But I can't see you
'Cause I'm blinded by all the lights, oh
And I can never get it right
I need a breakthrough
Why are you so hard to find? ohI've been searching every city, never giving up
Until I find my angel, diamond in the rough
Looking for a signal, baby turn it up tonightCome on get loud loud let it out
Shout it out from the rooftops
Come one get loud 'til they shut us down
Come on get loud loud let it out
Show me everything that you've got
Come one get loud loud I need you nowBaby let me hear it loud
Nana-na nana ah
Nana-na nana ah
Nana-na nana ahLooking for the light to shine
To start a fire
Girl I'll be the first in line oh
And baby when our stars align
We can't get no higher
You just give me signCome on get loud loud, let it out
Shout it out from the rooftops
Come on get loud 'til they shut us down
Come on get loud loud, let it out
Show me everything that you've got
Come on get loud loud I need you nowBaby let me hear you loud
