

# Poison Kiss

## Wildstreet

Your eyes don't lie, they give you away  
You say, you say, everything is different today  
Your footsteps fall all over the place  
You're up, you're down, a butterfly caught in the cageI dont know why I needed you more  
I don't know how, you got through the door  
I don't know where you were  
But back and forth, back and forthThis is the last goodbye I'm ever gonna say  
This is the last goodnight I'm ever gonna waste  
This kiss is poisonous  
If you can control the way it enters your soulOne love, one life  
One love is better than you tonightSunday driver, you never get far  
You call, you call, everyone is juggling hearts  
You think that you never make a mistake  
You say, you say, everyone else is to blameI dont know why I needed you more  
I don't know how you got through the door  
I don't know where you were  
But back and forth, back and forthThis is the last goodbye I'm ever gonna say  
This is the last goodnight I'm ever gonna waste  
This kiss is poisonous  
If you can control the way it enters your soulThe devil inside, I see your eyes changing  
Green to white  
There is nowhere to hide, inside I feel the same  
I feel the same way tooYour eyes don't lie, they give you away  
You say, you say, everything is different todayThis is the last goodbye I'm ever gonna say  
This is the last goodnight I'm ever gonna waste  
This kiss is poisonous  
If you can control the way it enters your soulLast goodbye I'm ever gonna say  
This is the last goodnight I'm ever gonna waste  
This kiss is poisonous  
(One love)  
If you can control the way it enters your soul  
(One love)One love, one life  
(It enters your soul)  
One love is better than you tonight  
(It enters your soul)One love, one life  
(It enters your soul)  
One love is better than you tonight  
(It enters your soul)
