Meant to Be

SG Lewis

[Verse 1]
Is that your man? The one inside?
The one who only loves you half the time
You haven't seen through his disguise
Or through his poker face of wanderin' eyes[Pre-Chorus]
I didn't have the strength to ask you
I hesitated for too long
And by the time I found my courage
The moment was gone
[Chorus]
If you were mine to throw away
I'd hold on tight, make no mistake
And baby I won't change your mind today
But if it's meant to be, it's meant to be
If you were mine to throw away
I'd hold on tight, make no mistake
And baby I won't change your mind today
But if it's meant to be, it's meant to be[Verse 2]
I used to know you, remember me?
Remember how you had respect for me?
Do you feel special all left alone?
Or is there nothin' left to call your own?[Pre-Chorus]
I didn't have the strength to ask you
I hesitated for too long
And by the time I found my courage
The moment was gone[Chorus]
If you were mine to throw away
I'd hold on tight, make no mistake
And baby I won't change your mind today
But if it's meant to be, it's meant to be
If you were mine to throw away
I'd hold on tight, make no mistake
And baby I won't change your mind today
But if it's meant to be, it's meant to be[Outro]
It's meant to be, it's meant to be
It's meant to be, it's meant to be
