new genious [brother]

Gorillaz

Dream of my world
I live on my world
Going off my head, down to somewhere
Goin' on a dance all tuneIn a pressure today
I blew a bad man away, today
Higher ground, had to be told
I blew a man awayBrother, sister too
Do what you must do
Don't trust people you meet
They might promise you
That the river ain't deepDream on the street
People passing through me, yes they do
Well my friend
Want my heart mend
I'm gonna bring it all backBrother, sister too
Do what you must do
Don't trust people you meet
They might promise you
That the river ain't deepBrother, sister too
Do what you must do
Don't trust people you meet
They might promise you
That the river ain't deep
Brother sister too
Do what you want to do
[Incomprehensible]
