Drown In the Now

The Crystal Method

Oh yea
Oh yeaRock out! Rock when I rip it,
When I'm rollin' on clouds,
Shout loud, breathe in,
Won't you drown in the now?Back when I rip it,
When I'm rollin' on clouds,
Shout loud, breathe in,
Won't you drown in the now?Rock when I rip it,
When I'm rollin' on clouds,
Shout loud, breathe in,
Won't you drown in the now?Said I rock when I rip it
When I'm rollin' on clouds,
Shout loud, breathe in,
Won't you drown in the now?Starship ripping through the night
Tripping through your sights
Pop up and shadow when I pine through the blind
Seen shades of rays as they move through the space
We lace, we up concrete streets
Streaks tall paintbrush strokes
Oh so gloriously
Story unfolds which one will be told
Some get sold, some just fold
Multi beings releasing parallel songs
Swells to break all the dry spells
Late bells ring crack shells (When they got us)Righteousness love of life will prevail
Righteousness love of life will prevail
Righteousness love of life will prevailTake the message that you send with these vibrations
From the hearts of the young consolidationsSome of the hearts gone numb
Improve the situation
With the vision of the king
I rely on mountains
With Assad and mic in my hand
I stand for the scene of sand
Mountains climb around themOh oh, eh eh eh eh oh oh, eh eh eh eh eh oh oh oh oh
Oh oh, eh eh eh eh oh oh, eh eh eh eh eh oh oh oh ohRock when I rip it
When I'm rollin' on clouds,
Shout loud, breathe in,
Won't you drown in the now?
Move like the misses to kiss this style

When ya dance in the darkness the quiet shoutRock when I rip it
When I'm rollin' on clouds,
Shout loud, breathe in,
Won't you drown in the now?On the end, on the back, flip crystal tracks
Method relax fast forward play back
Electrofied
Elecro night
Eclectic undefined in the moonlight
Shine bright how you'd like
Broken faces empty spaces make okay
Let my mind open up to the skies and pray
Raindrops like spots windshield spray
Don't stop, don't yield knots in the stomach
Not one, when you drop in the stormRock out! Rock when I rip it
When I'm rollin' on clouds,
Shout loud, breathe in,
Won't you drown in the now?Who is the eye between lies
I lie and just try to make it through the night and sighRock when I rip it
When I'm rollin' on clouds,
Shout loud, breathe in,
Won't you drown in the now?Conquest blessed like don't burn a nest
Drugged outta style from the old dragnetRock out! Rock when I rip it
When I'm rollin' on clouds,
Shout loud, breathe in,
Won't you drown in the now?Everyone gets stung one runs
One air with precision drum
That they overriddenRock when I rip it
When I'm rollin' on clouds,
Shout loud, breathe in,
Won't you drown in the now?When I rip it
When I'm rollin' on clouds
Shout loud breathe in
When you drown in the nowOh oh, eh eh eh eh oh oh, eh eh eh eh eh oh oh oh oh
Oh oh, eh eh eh eh oh oh, eh eh eh eh eh oh oh oh ohSaid I rock when I rip it,
When I'm rollin' on clouds,
Shout loud, breathe in,
Won't you drown in the now?Move like the misses to kiss this style
When ya dancing in the darkness, it's the quiet shout
On the end, hold back flip crystal tracks
The method relax the fast forward playback
