

# Standing at the Station (Live in Amsterdam)

## Ten Years After

Well, I'm standin' at the station  
And the rain don't make a sound  
Got a Bible in my pocket  
Cause my plane was just shot down  
My mind is all confusion  
I believe I'm in a play  
Throw my Bible out the window  
As the train goes on i'ts way Gonna leave my blues behind me  
Gonna find another town  
Gonna try and find some people  
Who this time won't bring me down  
As I step out of the carriage  
The station looks the same  
As the one I left behind me  
Though it has another name
