# If You Go

## Jon Secada

Advisory - the following lyrics contain explicit language:

Taking a day at a time
Dealing with feelings I don't wanna hide
Learning to love as I go baby
Without taking you along for a rideTried to find myself, tried to find the truth
Get out from this shell, girl I'm almost there
To show you how much I really careIf you go, say goodbye
There'll be something missing in my life
'Cause you know that all I really want is youSorry if you felt misled but I know what I feel
I know what I said, baby
God I hope you believe, believe in all that we can be
The future in us, together in loveYou're the reason I'm strong
Don't you think I don't know
This is where I belong, give me the time
To say that you're mine, to say that you're mineIf you go, say goodbye
There'll be something missing in my life
'Cause you know that all I really want is you
All I really want is youIf you go, say goodbye
There'll be something missing in my life
'Cause you know that all I really want is youTried to find myself, tried to find the truth
Get out from this shell, girl I'm almost there
So let me show you, so let me show youIf you go, say goodbye
There'll be something missing in my life
'Cause you know that all I really want is youIf you go, say goodbye
There'll be something missing in my life
'Cause you know that all I really want is youIf you go, say goodbye
There'll be something missing in my life
'Cause you know that all I really want is you
