

I Stand Accused

Randy Crawford

I stand accused
Of loving you too much
I hope, I sure hope it's not a crime
'Cos I'm guilty I sure hope that I will never have to testify
Because if I do everyone is gonna cry
Hey, that girl is guilty of loving you Though you belong to another
I may not stand a ghost of a chance
But I will tell the world how much I love you
And I'm a victim of circumstance that's been proven Although your heart belongs to another
And right now I don't stand a ghost of a chance
But I will stand up and tell the world how much I love you
And I'm a victim of circumstance that's been proven guilty
