Everybody's talkin' 'bout the way you hurt me all the time
Everybody's talkin', girl, ooh, you blow my mind
Everybody knows, pretty baby, how much I loved you so
That's why, girl, I gotta let you knowOh, I'm livin' in a fool's paradise
I am, I'm livin' in a fool's paradise for your love, girlSometimes I think you just usin' me for my car
But that's alright, honey 'coz I know you're not goin' too far
You know I don't care anymore, girl, I put my pride aside
I'm so in love with you, girl, I just wanna make you mineI'm livin' in a fool's paradise
Girl, I'm gonna have to let you know, I gottaI'm livin' in a fool's paradise, I am
I know I'm gonna make you mine, nowEverybody's talkin' 'bout the way you play with my mind
Everybody's worried about the way, girl, I'm wastin' my time
You know I don't care, girl, 'coz I gotta a lotta time to lose
That's why I'm playin' my cards, baby, 'coz I gots to win youI'm livin' in a fool's paradise
I'm livin' in a fool's paradise
