

All Summer Long

[Chris Rea](#)

All summer long we were happy we were one
We didn't think of an ending to our play
All summer long nights of wine, days of song
It couldn't last, our aging sun had to go
I will always remember you Watching the waves in the wind
The beach dogs hiding from the rain
Suddenly my colors have turned to grey
Will I ever see your face again And all winter long I will walk my lonely road
Waiting for you and your return
I will always remember you
