Drunk On You

Luke Bryan

The cotton wood fallin' like snow in July
Sunset, riverside, four wheel drive and a tail light circle
Roll down the windows, turn it on up
Pour a little Crown in a Dixie cup
Get the party, startedGirl you make my speakers go "BOOM BOOM"
Dancin' on the tailgate in a full moon
That kinda thing makes a man go mhmm mhmm
You're lookin' so good in what's left of those blue jeans
Drip of honey on the money make it gotta be
The best buzz I'm ever gonna find..
I'm a little drunk on you, and high on summertimeIf you ain't a ten, you're a 9.9
Tippin' and spillin' that homemade wine on your tied-up, tshirt
Every little kiss is drivin me wild, throwin little cherry bombs into my fire
Good God al-mightyGirl you make my speakers go "BOOM BOOM"
Dancin' on the tailgate in a full moon
That kinda thing makes a man go mhmm mhmm
You're lookin' so good in what's left of those blue jeans
Drip of honey on the money make it gotta be
The best buzz I'm ever gonna find..
I'm a little drunk on you, and high on summertimeSo, let's slip on out, where it's a little bit darker
And when it gets a little bit hotter
We'll take off on out in the waterGirl you make my speakers go "BOOM BOOM"
Dancin' on the tailgate in a full moon
That kinda thing makes a man go mhmm mhmm
You're lookin' so good in what's left of those blue jeans
Drip of honey on the money make it gotta be
The best buzz I'm ever gonna find..
Hey, I'm a little drunk on you, and high on summertime
Yeah, I'm a little drunk on you
