Like The Rain

Evan And Jaron

Here I am against my will
Watching the rain
I cannot stand to be alone
Watching the rain
Time stands still
Watching the rain
I slowly start to drift away
Watching the rain
It's not so bad after all
Stuck amidst this waterfall
My mind is running free
There's no one here with me
Watching the rain
Here I am watching the rain
I kind of like to be alone
Watching the rain
Time stands still
Watching the rain
But I don't mind it anymore
Watching the rain
It's not so bad after all
Stuck amidst this waterfall
My mind is running free
There's no one here with me
I walk out into the rain
'Cause I am not afraid anymore
I never thought something
So mundane could open me up more
It's not so bad after all
Stuck amidst this waterfall
My mind is running free
There's no one here with me
Now I think I see
A different side of me
I'm glad I got the chance
In watch the rain
