

# How Great Is Your Love (feat. Kristian Stanfill)

## Passion

From the darkness  
I called Your name  
    Into darkness  
    Your mercy came  
    You called me out  
        Lifted me up

How great is Your love  
You bore my weakness  
    You took my shame  
    Buried my burdens  
    In fields of grace  
    You called me out  
        Lifted me up

How great is Your love  
From the heights of heaven  
    You stepped down to earth  
    Innocent perfection  
    Gave Your life for us  
    We are amazed  
    We stand in awe  
    For we have been changed

By the power of the cross  
How great, how great  
    How great is Your love  
    How great, how great  
    How great is Your love  
    How great, how great

How great is Your love for us  
In Your kindness  
    You lead me home  
    In Your presence  
    Where I belong  
    You called me out  
        Lifted me up

How great is Your love  
From the heights of heaven  
    You stepped down to earth  
    Innocent perfection  
    Gave Your life for us  
    We are amazed  
    We stand in awe  
    For we have been changed

By the power of the cross  
How great, how great  
    How great is Your love

How great, how great  
How great is Your love  
How great, how great  
How great is Your love for usThere has never been  
There will never be  
A God like You  
A love so trueThere has never been  
There will never be  
A God like You  
A love so trueThere has never been  
There will never be  
A God like You  
A love so trueThere has never been  
There will never be  
A God like You  
A love so trueHow great, how great  
How great is Your love  
How great, how great  
How great is Your love  
How great, how great  
How great is Your love for usHow great, how great  
How great is Your love  
How great, how great  
How great is Your love  
How great, how great  
How great is Your love for us
