

# big world

Stevie McCrorie

When you came into my life, you broke  
all my walls down.  
but now you build them up again.  
And i remember , I remember the fear of  
not knowing if i can,but now i know that i can, my girl.  
And if you need me, I'll be there in this big  
bad world that we're living in, where we all  
could use a hand.I will take your hand,don't go changing  
too soon.  
Cause I just want to hold you how you  
are...  
Don't go growing too fast,cause i like it how you speak and you  
don't make sense  
cause you are mine , cause you are mine  
cause you are mine.  
So i think I'll go face some fire, just so  
this life can burn you.And I'll try and sing my way to the top  
just so your head can live in the clouds.  
And when you need me, I'll still be there  
in this big bad world that we're living in,  
where we all could use a handI will take your hand don't go changing  
too soon...  
cause i just wanna hold you how you are.  
Don't go growing too fast  
cause i like it how you speak and you  
don't make sense,  
cause you are ,you are ,you are mine  
You are, you are, you are mine  
you are mine  
and we are, we are, we are fine  
we are, we are, we are fine  
we are fine as we are.
