Kiss Me Quick

Amy Meredith

Come with me
I'll show you all the places you want to see
I will be your saviour

We'll tip toe up to the bedroom
Tip toe under the sheets
I never knew I'd have your heart beat so close to me

Darling don't fall to pieces

Kiss me, Kiss me quick da da da
I've been waiting so long for this
Kiss me, Kiss me quick
Da da da da

I'll take you home let your mind,
Let your body loose control
Hold your breath, don't let me go

Slow down she said
Breath in the minutes, breath in the moments
Throw your hands around me

We'll dance through the streets in the dark,
through all the trees and the fields
Sing to the sound of our hearts
Sing with me, ohhh

Kiss me, Kiss me quick da da da
I've been waiting so long for this
Kiss me, Kiss me quick
Da da da da

I'll take you home let your mind,
Let your body loose control
Hold your breath, don't let me go

Don't let me go

Don't let me go

Don't let me go

Darling don't fall to pieces

Darling don't fall to me, ooooh

Kiss me, Kiss me quick da da da
I've been waiting so long for this
Kiss me, Kiss me quick
Da da da da

I'll take you home let your mind,
Let your body loose control
Hold your breath, don't let me go

I'll take you home let your mind,
Let your body loose control
Hold your breath, don't let me go
