

# somebody i used to know(AVIL MUSIC)

## Gotye

Now and then I think of when we were together  
Like when you said you felt so happy you could die  
    Told myself that you were right for me  
    But felt so lonely in your company  
But that was love and it's an ache I still remember  
You can get addicted to a certain kind of sadness  
    Like resignation to the end, always the end  
    So when we found that we could not make sense  
    Well you said that we would still be friends  
But I'll admit that I was glad that it was over  
But you didn't have to cut me off  
    Make out like it never happened and that we were nothing  
    And I don't even need your love  
    But you treat me like a stranger and that feels so rough  
    No you didn't have to stoop so low  
Have your friends collect your records and then change your number  
    I guess that I don't need that though  
    Now you're just somebody that I used to know  
    Now you're just somebody that I used to know  
Now you're just somebody that I used to know  
Now and then I think of all the times you screwed me over  
    But had me believing it was always something that I'd done  
    And I don't wanna live that way  
    Reading into every word you say  
    You said that you could let it go  
And I wouldn't catch you hung up on somebody that you used to know
