

Sunningdale Shoes

rumHoney

Well I know Iâ€™m right when they say Iâ€™m wrong
You know it always gives me a boost
But I canâ€™t take praise â€˜cos you know some days
Those chickens come home to roost
Iâ€™m standing in my shoes
Standing in my Sunningdale shoes

Well Iâ€™m stuck out here on the east side of town
And Iâ€™m tryinâ€™ to hitch a lift back west
Iâ€™ve been standing here, year after year
Until the chickens come home to rest
Iâ€™m standing in my shoes
Standing in my Sunningdale shoes
Standing in my Sunningdale shoes

The monster sits the monster waits
He knows his Pâ€™s and his Qâ€™s
But baby please you mustnâ€™ feed
â€˜Cos monsters sometimes confuse
Standing in my shoes
Standing in my Sunningdale â€ˆ!â€ˆ!

Standing in my Sunningdale shoes
My Baby and me, Standing in my Sunningdale shoes
Everybody, Standing in my Sunningdale shoes
Oh - oh
