It's No Secret

The High Wire

It's no secret, how strong my love is for you
It's no secret, when I tell you what I'm gonna doCause I love you, yeah I love you
It's no secret, everybody knows how I feel
It's no secret, when I say my love is real
Cause I love you, yeah I love youI love you, yes I love you
It's no secret, when you got me jumping up and down
It's no secret, everybody knows how I feel
It's no secret, cause my heart is chained and bound
INSTRUMENTAL BREAK.
As I get older the years they get heavy for you - oh
yeah
Is it any wonder why I feel like my whole life is through -
When I stop feeling how strong my love is for you - oh
Know I'll be empty wanting your love like I doIt's no secret, when you got me jumping up and down
It's no secret, cause my heart is chained and bound
I love you, yes I love you
It's no secret, everybody knows how I feel
It's no secret, everybody knows how I feel, yeah (FADE
